Dear Chris,

I would like to take this opportunity to thank you personally for all the hard work on the British Telecom contract.

Your contribution played an important part in ensuring that the installation of solar window film to the BT Exchange sites in Greater London, the Midlands, Scotland and Wales was completed to tight schedules and with no issues.

Please thank the installers in each region for the high standard of workmanship, timeliness and presentation.

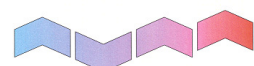

Feel free to use this letter as a reference for future customers. I am more than happy to recommend GP Systems personally.

I look forward to your continued support.

Yours Sincerely,

Gary Crosby  
Area Manager
